Our Vision

Congregation Etz Chaim is an intimate, Conservative congregation that values membership engagement, participation, and leadership. We have a warm and welcoming synagogue family that provides an opportunity for personal growth and fulfillment.

Our Core Values—community, education, spirituality, innovation, creativity, and participation—revolve around building a vibrant and successful community for future generations.

The CEC Legacy Endowment program will enable us to ensure that our 180+ year old family will remain together for generations to come, by ensuring our longevity through support towards our congregational programs, our religious events, and our beautiful home.

Please join us!
